James G. Schwade, M.D. to Deliver Keynote Address
to Financial and Investment Industry in New York

*“Healthcare 2009, A Look at Key Financial, Strategic
and Political Developments Affecting Pharmaceutical and
Medical Device Industries”*

Miami, Florida- For Release- February 3, 2009- Baker & McKenzie, and Bankstreet Group, LLC., will co- sponsor the Healthcare 2009 Summit aimed at informing investors in the healthcare and pharma industries in New York City on February 12th at the Harvard Club.

Internationally recognized radiation therapy systems expert, James G. Schwade, M.D., FACR, FACRO, FASTRO is currently the Executive Director of the CyberKnife Center of Miami and Palm Beach, Florida, (<http://www.morsecyberknife.com>) as well as founder of the South Florida Proton Therapy Center at the University of Miami (<http://www.sfpc.com>) currently being developed. With more than 30 years of experience in developing radiation therapy systems and building community based systems which provide cutting edge cancer treatment technology to the broadest number of cancer patients and physicians, Schwade will discuss ways of implementing ***novel delivery systems for capital intensive medical procedures in a cost conscious environment.***

The CyberKnife Center of Miami and Palm Beach are free-standing outpatient image guided radiotherapy centers which are dedicated to providing the greatest accessibility to all cancer patients. For more information regarding CyberKnife treatment please call 1-305-279-2900 or visit <http://www.cyberknifemiami.com> or <http://www.cyberknifepalmbeach.com>.

The financial and investment summit will be held February 12th in New York City at the Harvard Club. For more information on attending, please contact Michele Burton, with Baker McKenzie at 212 891 3832. (michele.l.burton@bakernet.com).
